  To replenish by credit card, place a check mark in the box to the left of “Option 1” of Part 4 and provide a valid credit card number, type, expiration date, and signature.

  To open and replenish your account by check or cash, select Option 2 of Part 4. Cash payments must be made in person at an E-ZPass Maryland Stop-In Center. Business Standard Plan Option
The Business Standard Plan (Business) allows you to enroll in the E-ZPass program and receive a 25% discount off the two-axle cash rate at most Maryland toll facilities. At the William Preston Lane, Jr., Memorial (Bay) Bridge (US 50/301), E-ZPass Maryland customers will receive a 37.5% discount. At the Thomas J. Hatem Memorial Bridge (US 40), E-ZPass Maryland customers also will receive a 30% discount on three- and four-axle vehicles. No minimum use is required. At the Intercounty Connector (ICC)/MD 200 and I-95 Express Toll Lanes (ETL), both All-Electronic Toll roads, paying tolls with E-ZPass saves money versus paying higher Video Toll Rates, which are 1.5 times the E-ZPass toll rates with a minimum of $1/maximum of $15 above the E-ZPass rates. Off-peak and overnight pricing also are offered on the ICC and I-95 ETL. All plans may be subject to account fees and prepaid toll deposits where applicable.

Discount Plan(s) (for two-axle vehicles)
The E-ZPass Maryland discount plan(s) listed below, allow frequent commuters discount rates at selected facilities. When you enroll in at least one of the discount plans, the Standard Plan will automatically apply at all other discount eligible E-ZPass Maryland toll facilities. ALL two-axle discount plans are transponder specific. Plans CANNOT be shared between transponders. Plan cycles begin when first used and end after 45* days or when all trips are used, whichever comes first. The account is charged the discounted toll rate when each trip is recorded using the transponder. All unused trips are charged to your account at the end of the plan period. Unused trips in a Discount Plan ARE NOT refundable.

*William Preston Lane, Jr. Memorial (Bay) Bridge Shoppers Discount Plan is valid for 90 days. Plan cycles do not apply to the Thomas J. Hatem Memorial Bridge Discount Plans.

Discount Plan Options (two-axle vehicles)

Baltimore Region Discount Plan (Fort McHenry Tunnel, Baltimore Harbor Tunnel, Francis Scott Key Bridge, John F. Kennedy Memorial Highway and Thomas J. Hatem Memorial Bridge)
Pay $1.40 per trip for 50 trips that are valid for 45 days. Because tolls are only collected in one direction at the JFK Highway and Hatem Memorial Bridge, two trips are deducted for each passage. The total cost for used and unused trips is $70.00.

William Preston Lane, Jr. Memorial (Bay) Bridge Discount Plan: Pay $1.40 per trip for 25 trips that are valid for 45 days. The total cost for used and unused trips is $35.00.

William Preston Lane, Jr. Memorial (Bay) Bridge Shoppers Discount Plan: Pay $2.00 per trip for 10 trips that can be used Sunday through Thursday and are valid for 90 days. The total cost for used and unused trips is $20.00.

Governor Harry W. Nice Memorial Bridge Discount Plan: Pay $2.10 per trip for 25 trips that are valid for 45 days. The total cost for used and unused trips is $52.50.

Intercounty Connector (ICC) / MD 200: While no formal discount plan is available, E-ZPass is the most cost-effective way to pay your ICC tolls. Drivers without E-ZPass pay higher Video Toll Rates, which are 1.5 times the E-ZPass toll rates with a minimum of $1/maximum of $15 above the E-ZPass rates. Off-peak and overnight pricing also are offered.

I-95 Express Toll Lanes (ETL): While no formal discount plan is available, E-ZPass is the most cost-effective way to pay your I-95 ETL tolls. Drivers without E-ZPass pay higher Video Toll Rates, which are 1.5 times the E-ZPass toll rates with a minimum of $1/maximum of $15 above the E-ZPass rates. Off-peak and overnight pricing also are offered.

Thomas J. Hatem Memorial Bridge Discount Plans:
Choice B: This discount plan is attached to a specific transponder and includes unlimited trips for two-axle vehicles at the Hatem Bridge; however the transponder must be properly mounted in the vehicle. A transponder with this plan is valid anywhere E-ZPass is accepted and is automatically enrolled in the Business Standard Plan which allows you to receive additional discounts at participating Maryland facilities (See Business Standard Plan description). This plan also allows the holder to select additional discount plan options.

A renewal notice for a Hatem Bridge discount plan will be mailed 45 days prior and a reminder notice mailed 15 days prior to the annual renewal date. The plan must be renewed annually by visiting an E-ZPass Maryland Stop-In-Center or ezpassmd.com or by contacting 1-888-321-6824. For customers who have credit card replenishment, the renewal will automatically occur 30 days prior to the expiration date.

Discount Plans
E-ZPass Maryland business account holders will be enrolled in the Post-Usage Discount Plan for vehicles with five (5) or more axles; and the Supplemental Rebate Plan for vehicles with five (5) or more axles. Discounts for both plans are credited to accounts thirty (30) days after completion of a cycle.

Post-Usage Plan
The Post-Usage Discount Plan is account specific and is based on all transponders used on the account at eligible facilities, for five (5) or more axle vehicles. After the plan is added to your account, the cycle begins on the date of the first toll transaction and runs for thirty (30) days thereafter (e.g. you open an account on 11/3/16 your five-axle vehicle uses an eligible facility on 11/6/16 it will run 12/6/16, 1/5/17, etc.). Calculation of the post-usage discount is based on the following and does not include any applicable fees that may have been deducted from your account during the calculation period.

$150.00 to $1,999.99 of toll usage – 10 percent discount
$2,000.00 to 7,500.00 of toll usage – 15 percent discount
Over $7,500.00 of toll usage – 20 percent discount

Supplemental Rebate Plan
The Supplemental Rebate Plan is transponder specific and is based on the number of trips used by a single transponder at eligible facilities, for five (5) or more axle vehicles. The cycle begins when you open your account and runs to the corresponding day each subsequent month (e.g. you open an account on 11/3/16 it will run 12/3/16, 1/3/17, etc.). Because tolls are only collected in one direction at the John F. Kennedy Memorial Highway, Thomas J. Hatem Memorial Bridge, Governor Harry W. Nice Memorial Bridge and the William Preston Lane, Jr. Memorial (Bay) Bridge, one trip on these facilities will be counted as two trips.

60-79 trips per transponder – 10 percent discount
80-99 trips per transponder – 15 percent discount
100 or more trips per transponder – 20 percent discount

Eligible Facilities
The following Maryland toll facilities are eligible for the Post-Usage Discount Plan and the Supplemental Rebate Plan: Baltimore Harbor Tunnel, Fort McHenry Tunnel, Francis Scott Key Bridge, Governor Harry W. Nice Memorial Bridge, John F. Kennedy Memorial Highway, Thomas J. Hatem Memorial Bridge, and William Preston Lane, Jr. Memorial (Bay) Bridge.

These Terms and Conditions, together with your E-ZPass Maryland Application (“Application”), constitute your E-ZPass Maryland Agreement (“Agreement”). E-ZPass is a multi-state system, which includes E-ZPass, E-ZPass Plus, and other tolling facilities (“Facilities”). In Maryland, this system is operated by the Maryland Transportation Authority (hereinafter “E-ZPass Maryland”). E-ZPass Maryland has various agreements with other tolling entities to allow electronic financial transactions to be recorded by an E-ZPass transponder or other toll collection means and processed through an E-ZPass account. Please read these Terms and Conditions and keep them for your records. When you open an E-ZPass Maryland Account (“Account”) or use an E-ZPass transponder issued by E-ZPass Maryland, you agree as follows:

I. GENERAL CONDITIONS

a) You are responsible for maintaining your Account and for monitoring your Account balance and activity.

b) You shall not assign the obligations or benefits of this Agreement to anyone else without the express written consent of E-ZPass Maryland.

c) You must approach and pass through E-ZPass toll lanes at the posted speed limit. Failure to obey the posted speed limit may result in suspension of your Account or Account closure.

d) In staffed toll lanes, you shall come to a complete stop and proceed only on a green signal unless otherwise directed, even if your vehicle is equipped with an E-ZPass transponder.

e) You shall comply with all applicable traffic laws, regulations, signs, signals and directions of E-ZPass Maryland employees, agents and law enforcement officers.

f) E-ZPass Maryland may deny any Application at any time because of outstanding account maintenance fees, unpaid Video Toll transactions, citations including civil penalties, or the submission of false information.

g) You acknowledge and understand that you and your vehicle may be recorded on a Maryland toll collection facility and other Facilities that have an agreement with E-ZPass Maryland and/or accept E-ZPass. You expressly understand that E-ZPass Maryland and other Facilities monitor the use of the transponder for the purpose of toll collection, traffic monitoring and detecting violations of this Agreement.

h) You expressly understand that E-ZPass Maryland may use information gathered from the government agency that is responsible for motor vehicle registrations, in addition to information submitted by you when posting transactions to your Account and deducting applicable tolls.

i) You authorize E-ZPass Maryland to process through your Account, the payment of tolls and fees incurred from the use of Facilities.

j) Failure to comply with this Agreement may result in any or all of the following: Video Toll transactions, citations including civil penalties, suspension of your Account, Account closure, refusal or suspension of your motor vehicle registration and referral to the Maryland Central Collection Unit (“CCU”). The Maryland Motor Vehicle Administration (“MVA”) and CCU may assess additional fees.

II. YOUR ACCOUNT

a) You agree to inform E-ZPass Maryland of any changes to your Account. Failure to keep your Account up-to-date may result in Video Toll transactions.

b) You must maintain a positive Account balance to cover applicable charges to your Account. Applicable tolls will be deducted from your Account each time a Maryland toll facility transaction.

c) E-ZPass Maryland will perform an Account analysis on all new Accounts thirty-five (35) days from the first use of a transponder and every sixty (60) days thereafter. If your average monthly usage, within a sixty (60) day period, is above or below your replenishment amount, E-ZPass Maryland will automatically adjust your replenishment amount to approximate one-month’s level of use. The change in your replenishment amount will be reported on your account statement.

d) You agree to replenish your Account by this amount when your Account balance decreases to or falls below the minimum balance specific to the Account plan you selected in your Application.

e) You may choose to replenish your Account in one of the following ways:

1. By credit card. You may authorize E-ZPass Maryland to charge your credit card automatically for all charges to your Account; or you may authorize a one-time online credit card payment via the website atezpassmd.com, at an E-ZPass Maryland Stop-In Center, by telephone at 1-888-321-6824, or by mail to E-ZPass Maryland Service Center, P.O. Box 17600, Baltimore, Maryland 21297-7660;

2. By check or money order made payable to E-ZPass Maryland. Your payment may be sent by mail or made at an E-ZPass Maryland Stop-In Center;

3. By cash payment in U.S. dollars in person at an E-ZPass Maryland Stop-In Center. DO NOT SEND CASH BY MAIL OR LEAVE CASH IN A DROP BOX.

f) You may have more than one replenishment transaction within a one-month period based upon your usage.

g) If you fail to maintain a positive balance on your Account and you pass through a Maryland Facility, a Video Toll transaction will result. Further, if you fail to maintain a positive Account balance and you use Facilities outside of Maryland, you will be issued a violation notice from that state in accordance with its laws.

h) You acknowledge that a fee will be charged to you for each returned check and ECS transaction.

III. ACCOUNT PAYMENTS AND REPLENISHMENT

a) You must pay a minimum advance toll payment or replenishment amount, which is a prepayment to your Account, sufficient to pay Account charges for a one-month period of time.

b) Advance toll payments are not available for use from your Account until twenty-four (24) hours after replenishment for in-state use and forty-eight (48) hours after replenishment for out-of-state use.

c) E-ZPass Maryland will perform an Account analysis on all new Accounts thirty-five (35) days from the first use of a transponder and every sixty (60) days thereafter. If your average monthly usage, within a sixty (60) day period, is above or below your replenishment amount, E-ZPass Maryland will automatically adjust your replenishment amount to approximate one-month’s level of use. The change in your replenishment amount will be reported on your account statement.

d) You agree to replenish your Account by this amount when your Account balance decreases to or falls below the minimum balance specific to the Account plan you selected in your Application.

IV. DISCOUNT PLANS

Two-Axle Vehicle Plans

E-ZPass Maryland two-axle vehicle discount plans are linked to a specific transponder assigned to your Account. Plan cycles begin when first used and end after the specified number of days of the plan or when all trips are used, whichever comes first. The account is charged the discounted toll rate when each trip is recorded using the transponder specifically associated with the valid discount plan. All E-ZPass Maryland
discount plans are time sensitive. Any unused trips within the discount plan cycle will be
deducted from your Account ten (10) days after the plan cycle ends and will be reflected
on your statement. If the transponder is not read, but the license plate of the vehicle is
registered on the Account or the transaction is otherwise matched by E-ZPass Maryland
to your Account, you will be charged the cash toll rate instead of the discount plan rate.
A Video Toll transaction will result if the transponder is not read and the license plate is
not on the Account or the transaction is not otherwise matched by E-ZPass Maryland to
your Account. Unused trips in a discount plan are not refundable.

Three or more Axle Vehicles
Please see the E-ZPass Maryland website (ezpassmd.com) for more information on
multi-axle vehicle discount plans and rates.

V. ABOUT YOUR TRANSPONDER(S)
a) You agree to correctly mount, display and use the transponder in accordance
with the instructions provided by E-ZPass Maryland. Do not mount the
transponder in any location that could interfere with your visibility or ability
operator your vehicle. Failure to mount the transponder correctly may hinder toll
collection, may result in a higher toll rate being deducted from your Account or
may result in a Video Toll transaction.
b) A nonrefundable transponder fee will be charged for each transponder issued to
your new Account or to an existing E-ZPass Maryland Account, unless you are
using a valid previously-owned transponder, in which case no transponder fee will
be charged.
c) A defective transponder may be replaced with a similar unit within the
transponder’s warranty period if the transponder has not been damaged, defaced
or improperly used as determined by E-ZPass Maryland. However, if E-ZPass
Maryland determines the transponder has been damaged, defaced or improperly
used, a nonrefundable transponder fee will be charged for a replacement
transponder. The warranty period begins on the date of issuance of the transponder
to the first owner and is based upon the model of the transponder.
d) You may use the transponder only with the vehicle(s) specifically registered on
your Account.
e) When you use the transponder or any vehicle registered on your Account to
use toll facilities or a transaction is otherwise matched by E-ZPass Maryland to your
Account, you authorize E-ZPass Maryland to debit your Account for such use.
f) If you use the transponder at Facilities outside of Maryland, you are subject to the
laws and regulations governing such use.
g) Transactions in which the transponder is not read may result in a higher toll rate
being deducted from your Account or the issuance of a Video Toll transaction.
h) If your transponder is lost or stolen, you must immediately notify E-ZPass
Maryland verbally, in writing, or via the website. Until you notify E-ZPass
Maryland that your transponder has been lost or stolen, E-ZPass Maryland will
continue to deduct any tolls or fees incurred by your transponder from your
Account. You will not be liable for transponder use that occurs after you notify
E-ZPass Maryland. If a replacement transponder is requested, a nonrefundable
transponder fee will be charged for the replacement.
i) If you no longer wish to use a transponder issued to your Account, you may return
your transponder to E-ZPass Maryland to close your Account, refer to Section IX Termination of this
Agreement for voluntary Account closure instructions.

VI. ACCOUNT AGREEMENT MODIFICATIONS
E-ZPass Maryland may change the Terms and Conditions of this Agreement at anytime
by advance notice. These Terms and Conditions shall be effective on December 20, 2016. If
you do not agree to accept the new Terms and Conditions, you must close your Account
prior to the effective date of the new Terms and Conditions. The invalidity of any of the
Terms and Conditions of this Agreement shall not affect the enforceability of any other
Terms and Conditions of this Agreement, which shall remain in full force and effect.

VII. VIDEO TOLL TRANSACTIONS
a) A Video Toll transaction will occur at Maryland Facilities in any of the following
scenarios:
1. When the transponder is detected, and the Account has a negative balance;
2. When the transponder is not detected for any reason, including improper
mounting to your vehicle, and the vehicle is not registered on your Account;
3. When the transponder is otherwise not matched by E-ZPass Maryland to your
Account;
4. When the transponder is detected after it has been reported lost or stolen; and
5. When the Account has been suspended or closed.
b) Video Toll transactions result in issuance of a Notice of Toll Due (NOTD) charging
the Video Toll rate.
c) An NOTD will be sent for a Video Toll transaction via First-Class mail to the
registered owner of the vehicle as determined by the information gathered from the
government agency that is responsible for motor vehicle registrations.

VIII. DISPUTES
You hereby authorize E-ZPass Maryland to decide every question or issue in connection
with or related to this Agreement, including, without limitation, the imposition of
tolls, fees, or other charges incurred, applied or stated for the use or misuse of your
transponder or Account. You may dispute the imposition of charges or fees related to
your Account verbally or in writing to the E-ZPass Maryland Customer Service Center.
Such dispute must be made within one hundred twenty (120) days from the date the
transaction is posted to your Account. A Video Toll transaction may be disputed as
indicated on an NOTD and is not covered by this Agreement.
